

Recommendations

Looking after your car properly is vital. Your wellbeing (and perhaps life) depends on it – as does the safety of your passengers, fellow road-users and even pedestrians. Yet all too often, our main concern is how we can get our car fixed as cheaply and conveniently as possible.

As part of your club membership we invite all of our members to share both good and bad experiences with the club, so that we can pass this knowledge onto all of our members in the same way that you would recommend services to family or friends.

If there is someone you'd like to recommend to our members then contact the membership secretary
